SUBJECT: Approval of one updated financial policy chapter.

Vol.	Ch.	Title
I	11	Reimbursable Agreements

DISCUSSION: The Financial Policy Steering Committee voted, approved, and recommended CFO approval of the following policy chapter:

- Volume I, Chapter 11, *Reimbursable Agreements*, establishes VA financial policy and procedures regarding intragovernmental reimbursable agreements. Intragovernmental reimbursable agreements may be executed within VA between different appropriations or between VA and another Federal agency. Reimbursable agreements may be entered into under various legislative authorities. They are characterized as buy/sell monetary arrangements within or between a Federal agency and are a type of intragovernmental transaction. VA organizations that require support will first consider support capabilities available within their organizations, consistent with mission requirements and regulatory authorizations before seeking other sources.

NOTE: A summary of revisions to the chapter is attached.
